

DAY 1, FLOOD RISK IDENTIFICATION	
Times	Activity
9:00 am to Noon	Mobile Tour , organized by host to showcase areas of flood risk to the ASFPM site visit team.
12:00 to 1:00 pm	LUNCH , catered by ASFPM.
1:00 to 1:15 pm	Welcome and Introductions
1:15 to 2:00 pm	Rollout of GIS Map & Discussion of Key Locales The site visit team will review the map layers prepared in ArcGIS Pro, ground-truthing placement of key tribal locations on the map with participants.
2:00 to 2:20 pm	Exploration of Web Maps Participants will explore the available data layers that delineate the impacts of potential flood scenarios on tribal lands.
2:20 to 3:00 pm	Discussion of At-Risk Areas & Scenario Planning Participants will discuss and ground truth the areas identified on the map as at-risk of flooding. Time and need allowing, the site visit team will overview scenario planning options.
3:00 to 3:15 pm	BREAK
3:15 to 3:45 pm	Spotlight on Regional Climate Adaptation Science Center
3:45 to 4:45 pm	Discussion of Flood Resilience Plans & Strategies Participants will discuss: 1) how strategies included in the draft hazard mitigation plan were identified and assessed; 2) what flood mitigation projects might help address areas identified as at risk of flooding; and 3) how any flood risk might affect decisions related to non-flood hazard mitigation actions identified in the draft hazard mitigation plan (e.g., safe rooms)
4:45 to 5:00 pm	Recap Day #1 and review plans for Day #2
5:00 pm	ADJOURN

DAY 2, RESILIENCE ACTION PLANNING	
Times	Activity
8:45 to 9:00 am	ARRIVAL
9:00 to 9:15 am	Welcome & Introductions for new arrivals
9:15 to 9:45 am	Confirmation of Desired Outcomes Participants will discuss what flood resilience outcomes they would like to see achieved through this process and for their tribe. Time will be given for internal reflection before a group conversation. The site visit team will pull together a list of desired outcomes identified in the preparation process for comparison and further discussion.
9:45 to 10:15 am	Tribal Process(es) Participants will discuss what plans are in place, how different departments work together, how resilience projects are chosen for implementation, etc.
10:15 to 10:30 am	BREAK
10:30 to 11:00 am	Understanding Flood Risk The site visit team will present on the basics of floodplains and addressing flood risk to reduce losses.
11:00 am to Noon	Exploring Flood Resilience Strategies The site visit team will recap the previous day's discussion for participants just joining, and seek their additional input on the map, areas identified as at risk of flooding, and resilience plans and strategies.
Noon to 1:00 pm	LUNCH , catered by ASFPM.
1:00 to 1:30 pm	Spotlight on Silver Jackets
1:30 to 2:30 pm	Tribal Action Planning The site visit team will work with participants to synthesize the actions discussed into a clear action plan to increase flood resilience across the Nation's lands and holdings.
2:30 to 3:15 pm	Q & A and Takeaways This time will be for the group to ask any outstanding question of the site visit team about the process, and discuss their key takeaways from the past two days.
3:15 to 3:30 pm	Next Steps
3:30 pm	ADJOURN
